📍 Microsoft Teams Meeting

Thank you for your time to participate in my experiment. I really appreciate your contributions.

Before the experiment, please kindly complete this questionnaire: https://febugent.eu.qualtrics.com/jfe/form/SV_43g3in9vrmCmcFo
This questionnaire aims to collect profile information particularly regarding your experience with user stories and the proposed time for the demo.

The experiment will take 60 minutes to complete via online meeting.
The invitation, documentations of the prototype, scenario, and user stories files in text format are attached in this email.
Please kindly watch the short video before the meeting to be more familiar with the prototype.

We will do the experiment in 2 sessions:
In the first session, we will do it together using file from DT_trial.txt
In the second session, you will do it independently using the file and documentation from DT_106_SCP.

To use the prototype, you will need to use this username and password to login to the app.

Username: Test_34
Password: Tst_034_Rsa

While the link to the app will be provided in the online meeting.

See you on Thursday.

Kind regards,
Anis
